We have elected to take advantage of the Securities and Exchange Commission's rules that allow us to furnish our proxy materials to our stockholders over the Internet. A Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") is being mailed concurrently to our stockholders. The Notice contains instructions on how to access the Notice of Annual Meeting, Proxy Statement and Annual Report to Stockholders online. You will not receive a printed copy of these materials, unless you specifically request one. The Notice of Internet Availability contains instructions on how to receive a paper copy of the proxy materials.

It is important that your shares be represented and voted at the meeting. You may vote your shares in person at the meeting, by internet, by telephone or by completing, signing, dating and returning a proxy card which will be mailed to you if you request delivery of a full set of proxy materials.

**PROXY STATEMENT**

This statement is furnished in connection with the solicitation by the Board of Directors of AAON, Inc., for proxies to be used at our Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 16, 2023, at the time and place set forth in the Notice of Annual Meeting accompanying this Proxy Statement. Unless the context otherwise requires, references herein to "AAON", "we", "us", "our" or "ours" refers to AAON, Inc., a Nevada corporation.

Pursuant to provisions of our Bylaws and action of our Board of Directors, the close of business on March 20, 2023, has been established as the time and record date for determining the stockholders entitled to notice of and to vote at this Annual Meeting. The stock transfer books will not be closed.

Stockholders of record on the record date are entitled to cast their votes at the Annual Meeting in person or by internet, telephone or properly executed proxy. The presence, by any of these means, of at least a majority of the Common Stock outstanding on the record date is necessary to constitute a quorum at the Annual Meeting. Abstentions and broker non-votes are counted as shares present in determining whether the quorum requirement is satisfied. If a quorum is not present at the time the Annual Meeting is convened, we may adjourn or postpone the meeting.

Determination of whether a proposal specified in the Notice of 2023 Annual Meeting of Stockholders has been approved will be determined, assuming a quorum is present either in person or by proxy, as follows:

- **Proposal No. 1.** A nominee for director will be elected if a majority of the stockholders voting on the nominee's election vote in favor such nominee's election. Accordingly, abstentions and broker non-votes will have no effect on the outcome of the vote on the director nominees.
- **Proposal No. 2.** The proposal to approve, on an advisory basis, the compensation of our named executive officers will require the affirmative vote of a majority of the voting shares that are present at the Annual Meeting in person or by proxy and entitled to vote on this proposal. An abstention will have the effect of a vote against this proposal. A broker non-vote will have no effect on the outcome of the vote on this proposal.
- **Proposal No. 3.** The proposal to ratify Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2023 will require the affirmative vote of a majority of the shares of Common Stock present at the Annual Meeting in person or by proxy and entitled to vote on the proposal. An abstention will have the effect of a vote against this proposal. Brokers have discretionary authority and may vote on the proposal without having instructions from the beneficial owners or persons entitled to vote thereon.

You may vote in several different ways:

***In person at the Annual Meeting***

You may vote in person at the Annual Meeting. You may also be represented by another person at the meeting by executing a proxy properly designating that person. If you are the beneficial owner of shares held in "street name," you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the meeting.

---

***By telephone***

You may vote by calling the toll-free telephone number indicated on the voting instructions you will receive. Easy-to-follow voice prompts allow you to vote your shares and confirm that your voting instructions have been properly recorded.

***By Internet***

You may vote by going to the Internet web site indicated on the voting instructions you will receive. Confirmation that your voting instructions have been properly recorded will be provided.

***By mail***

You may vote by completing, signing, dating and returning a proxy card which will be mailed to you if you request delivery of a full set of proxy materials. A postage-paid envelope will be provided along with the proxy card.

Telephone and Internet voting for stockholders of record will be available until 11:59 p.m. Central time on May 15, 2023. A mailed proxy card must be received by May 15, 2023, in order to be voted at the Annual Meeting. The availability of telephone and Internet voting for beneficial owners of other shares held in "street name" will depend on your broker, bank or other holder of record and we recommend that you follow the voting instructions on the Notice of Internet Availability that you receive from them.

If you are mailed a set of proxy materials and a proxy card or voting instruction card and you choose to vote by telephone or by Internet, you do not have to return your proxy card or voting instruction card. However, even if you plan to attend the Annual Meeting, we recommend that you vote your shares in advance so that your vote will be counted if you later decide not to attend the meeting.

Proxies received in advance of the meeting may be revoked at any time prior to the voting thereof, either by giving notice to the Secretary of AAON or by personal attendance at the meeting.

We have adopted a procedure approved by the SEC called "householding" pursuant to which stockholders of record who have the same address and last name and who request a written copy of our Annual Report and Proxy Statement will receive only one copy of such materials unless one or more of these stockholders notify us that they wish to receive individual copies. Stockholders who participate in householding will continue to receive separate proxy cards.

We will pay the costs of the solicitation of proxies. We may reimburse brokerage firms and other persons for expenses incurred in forwarding the proxy materials to their customers who are beneficial owners and obtaining their voting instructions. Stockholders electing to vote over the Internet should understand that there may be costs associated with electronic access (such as charges from their Internet access provider) and that these costs must be borne by the stockholder.

Stockholders currently receiving multiple copies of our Annual Report and Proxy Statement at their household can request householding by contacting our transfer agent at 1-801-277-1400 or writing to Issuer Direct Corporation, One Glenwood Avenue, Suite 1001, Raleigh, North Carolina 27603. Stockholders now participating in householding who wish to receive a separate document in the future may do so in the same manner. Those owning shares through a bank, broker or other nominee may request householding by contacting the nominee.

This Proxy Statement, the Notice of Annual Meeting and accompanying proxy card, as well as our 2022 Annual Report (which includes our Annual Report on Form 10-K for the year ended December 31,

2022), can also be found at our website ([www.aaon.com](http://www.aaon.com)). Copies of exhibits omitted from the Annual Report on Form 10-K are available without charge upon written request to Rebecca Thompson, 2425 S. Yukon Avenue, Tulsa, Oklahoma 74107, or may also be obtained at the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov).

We recognize the importance our stockholders place on the Annual Meeting and also appreciate the opportunity it affords for them to engage with senior management. We also understand that it provides a convenient forum for our stockholders to acquire first-hand exposure to, and ask questions of our management. In an attempt to preserve the benefits of the traditional meeting format, while also recognizing not all stockholders can attend in-person, we suggest that our stockholders not able to attend in-person consider availing themselves of the following opportunities:

- **Questions for Management?**

- Stockholders are encouraged to submit questions for management without having to attend the Annual Meeting in person. To do so, questions may be submitted to [annualmeeting@aaon.com](mailto:annualmeeting@aaon.com). Appropriate questions will be presented for management to respond at the Annual Meeting. We retain discretion to reject questions that are improper, irrelevant, substantially similar to questions submitted by other stockholders or are otherwise derogatory or not in good taste.

- **Recording of Management Presentation and Q&A Session.**

- We plan to record the management presentation and question and answer portions of the Annual Meeting and make these recordings available on our website ([www.aaon.com](http://www.aaon.com)) promptly following the Annual Meeting.

## **BOARD, COMMITTEE MATTERS AND CORPORATE GOVERNANCE**

### **Leadership Structure of the Board**

The business of AAON is managed under the direction of our Board of Directors ("Board"). In accordance with our Bylaws, we have an Independent Chair of the Board, who presides at all meetings of the Board and stockholders. Our Board has also chosen to elect an Independent Vice Chair of the Board to perform the duties and responsibilities as the Board may determine.

The Board has determined that our current Board structure, having the Independent Chair of the Board serve as the presiding officer at all Board and stockholder meetings, and having an Independent Vice Chair, is currently the most appropriate leadership structure for the Company and its stockholders. This fosters clear accountability, effective decision-making, alignment with corporate strategy, direct oversight of management, full engagement of the remaining directors and continuity of leadership. Having an Independent Chair and Vice Chair demonstrates the Board's recognition of the importance of independent leadership and identifies the individuals, elected by and from the independent directors, selected to act as the leaders of the independent directors and help ensure appropriate discussions take place, in an open and forthright manner, at the Board level. The Board considers and reviews its leadership structure annually by the independent directors in connection with its self-evaluation process. The Board believes its current leadership structure is reasonable, appropriate and in the best interests of the Company and its stockholders.

## **The Board's Role in Risk Oversight**

The Board has ultimate responsibility for oversight of our risk management processes. The Board discharges this oversight responsibility through regular reports received from and discussions with senior management on areas of material risk exposure to the Company. These reports and Board discussions include, among other things, operational, financial, legal, regulatory and strategic risks. Additionally, our risk management processes are intended to identify, manage and control risks so that they are appropriate considering our size, operations and business objectives. The full Board (or the appropriate committee in the case of risks in areas for which responsibility has been delegated to a particular committee) engages with the appropriate members of senior management to enable its members to understand and provide input to and oversight of our risk identification, risk management and risk mitigation strategies. In addition, each of our Board committees considers the risks within its areas of responsibility. For example, the Audit Committee reviews risks related to financial reporting; discusses material violations, if any, of Company governance, ethics and compliance policies brought to its attention; considers the Company's enterprise risk assessment that is part of the Company's strategic planning which identifies control risks and drives the internal audit plan for the ensuing year; reviews the external audit plan; and considers the impact of risk on our financial position and the adequacy of our risk-related internal controls. The Compensation Committee reviews compensation and human resource risks. This enables the Board to coordinate risk oversight, particularly with respect to interrelated or cumulative risks that may involve multiple areas for which more than one committee has responsibility. The Board or applicable committee also has authority to engage external advisors as necessary.

Actions taken by the Board outside of Board meetings are consented to in writing by a memorandum of action in lieu of a meeting, to which all incumbent directors subscribe. Directors meet their responsibilities not only by attending Board and committee meetings but also through communication with members of management on matters affecting us.

A description of the fees paid to the directors and members of the Audit Committee, Compensation Committee and Governance Committee can be found under "Executive Compensation - Director Compensation", herein.

## **Communicating with the Board**

Stockholders may communicate with the Board, including the non-management directors, by sending a letter to the Board of Directors of AAON, Inc., c/o Corporate Secretary, 2425 South Yukon Avenue, Tulsa, Oklahoma 74107. The Corporate Secretary has the authority to disregard any inappropriate communications. If deemed an appropriate communication, the Corporate Secretary will submit the correspondence to the Board or to any specific director to whom the correspondence is directed.

## Audit Committee

The Audit Committee assists the Board in fulfilling its responsibility for oversight of the quality and integrity of our accounting, auditing and financial reporting practices. Among other things, the Audit Committee is responsible for: selecting and retaining our independent public accountants; preapproving the engagement of the independent accountants for all audit-related services and permissible, non-audit related services; reviewing in advance the scope and focus of the annual audit; and reviewing and discussing with management and the auditors our financial reports, the audited financial statements, the auditor's report, the management letter and the quality and adequacy of our internal controls. In addition, the Audit Committee is responsible for oversight and review of the activities of the Company's internal audit function. The Board has determined that the Chair and the other Audit Committee members are independent under applicable NASDAQ and SEC rules for Audit Committee memberships. The Audit Committee is governed by a written charter, a copy of which is available on our website, at [www.aaon.com](http://www.aaon.com). The "Audit Committee Report" for year 2022 is set forth below.

The Audit Committee met a total number of four times during 2022 and the Chair and each committee member participated in 75% or more of the total number of Audit Committee meetings.

The Board has determined that Ms. Lawhorn qualifies as an "audit committee financial expert" as defined by applicable SEC rules and that each member of the Audit Committee meets the additional criteria for independence of audit committee members set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Section 5605(c) of the NASDAQ Stock Market Listing Standards.

## **Compensation Committee**

The responsibilities of the Compensation Committee, as set forth in its charter, include the direct responsibility and authority to review and approve our goals and objectives relevant to the compensation of our Chief Executive Officer and other executive officers, to evaluate the performance of such officers in accordance with the policies and principles established by the Compensation Committee and to determine and approve, either as a Committee, or (as directed by the Board) with the other “independent” Board members (as defined by the NASDAQ listing standards), the compensation level of the Chief Executive Officer and the other executive officers. The Compensation Committee is composed of the three independent (non-employee) directors, named in the table above, each of whom is “independent” as defined by applicable NASDAQ and SEC rules for committee memberships. The Compensation Committee is governed by a written charter, a copy of which is available on our website, at [www.aaon.com](http://www.aaon.com). In accordance with its charter, our Compensation Committee has the sole authority to retain and terminate its compensation consultant and to review its compensation consultant's independence on an annual basis.

The Compensation Committee met a total of six times during 2022 and the Chair and each committee member participated in 75% or more of the total number of Compensation Committee meetings.

## **Governance Committee**

The responsibilities of the Governance Committee include proposing to the Board a slate of nominees for election by the stockholders at the Annual Meeting and maintaining a list of prospective director candidates in the event of the resignation, death, removal or retirement of directors or a change in the Board composition requirements. The Committee is also charged with reviewing with the Board the desired experience, mix of skills and other qualities to assure appropriate Board composition. The Board has determined that the Chair and all Governance Committee members are independent under applicable NASDAQ and SEC rules for committee memberships.

The responsibilities of the Governance Committee also includes the periodic reviews and monitoring of the Company's corporate governance guidelines (including the Company's Code of Conduct), recent developments in corporate governance concepts, the Company's plans for CEO and senior management succession, regulatory requirements relevant to the Company's corporate governance guidelines to assure the Company's compliance therewith, and the Company's Articles of Incorporation and Bylaws.

The Board has determined that the Chair and all Governance Committee members are independent under applicable NASDAQ and SEC rules for committee memberships.

The Governance Committee met a total of three times during 2022 and the Chair and each committee member participated in 75% or more of the total number of Governance Committee meetings.

Our Bylaws also provide that a stockholder may nominate a director for election at an annual meeting if written notice is given to us not less than 90 and not more than 120 days in advance of the anniversary date of the immediately preceding annual meeting.

If and when new vacancies occur in the future, the Board will consider director nominees recommended by stockholders, in accordance with our Bylaws. The Board does not have a formal policy regarding the consideration of, procedures to be followed by, minimum qualifications of or process for identifying or evaluating nominees recommended by stockholders.

Among the criteria developed by the Governance Committee for qualification for director nominees as well as director retention, a candidate must have demonstrated accomplishment in his or her chosen field, character and personal integrity, and the ability to devote sufficient time to carry out the duties of a director. The Governance Committee considers whether the candidate is independent under the standards described below under "Director Independence." In addition, the Governance Committee considers all information relevant in their business judgment to the decision of whether to nominate a particular candidate, taking into account the then-current composition of the Board and assessment of the Board's collective requirements. These factors may include: a candidate's age, professional and educational background, reputation, industry knowledge and business experience and relevance to the Company and the Board (including the candidate's understanding of markets, technologies, financial matters and international operations); whether the candidate will complement or contribute to the mix of talents, skills and other characteristics that are needed to maintain the Board's effectiveness; and the candidate's ability to fulfill responsibilities as a director and as a member of one or more of our standing Board committees. Although the Board does not have a formal diversity policy for Board membership, the Governance Committee considers whether a director nominee contributes or will contribute to the Board in a way that can enhance the perspective and experience of the Board as a whole through diversity in gender, ethnicity, geography and professional experience.

Nomination of a candidate is not based solely on the factors noted above. When current Board members are considered for nomination for re-election, the Governance Committee also takes into consideration their prior Board contributions, performance and meeting attendance records. The Governance Committee does not assign specific weights to particular criteria, and no particular criterion is a prerequisite for Board membership. We believe that the backgrounds and qualifications of our directors, considered as a group, provide an appropriate mix of experience, knowledge and abilities to allow the Board to fulfill its responsibilities. The effectiveness of the Board's skills, expertise and background is also considered as part of each Board and committee annual self-assessment evaluation process conducted at the direction of the Governance Committee.

### **Policy Against Hedging Stock**

Our Insider Trading Policy (which was adopted by the Board in November 2014) prohibits our directors, officers and other employees, and their designees, from engaging in short sales or from hedging transactions of any nature that are designed to hedge or offset a decrease in market value of such person's ownership of the Company's equity securities. Our Insider Trading Policy also prohibits our directors, officers and other employees, and their designees, from purchasing financial instruments or engaging in other problematic transactions involving the Company's equity securities, including, puts, calls, collars, forward contracts or other derivative securities concerning the Company's equity securities. We prohibit such conduct since purchasing such financial instruments or engaging in such transactions would result in the individual no longer being exposed to the full risks of ownership of the Company's equity securities, which may weaken the alignment of such individual with the objectives of the Company's stockholders. Additionally, our directors, officers and other employees may not hold their Company equity securities in a margin account.

### **Whistleblower Procedures**

### **Sustainability**

Our Company is widely recognized as a leader in the design, manufacture and sale of energy efficient HVAC products. Our product offerings include some of the most energy efficient products in our industry. We have a proud history of challenging conventional wisdom and forging our own path through a never-ending commitment to innovation and continuous improvement of our products and manufacturing methodologies. These underlying principles guide our commitment to environmental stewardship, sustainability and social responsibility. We endeavor to utilize Company resources in a manner that creates long-term value for our stockholders while minimizing our impact on natural resources and the environment.

In 2022, we published our fourth annual environmental, social, and governance ("ESG") report sharing our approach in the material areas of stakeholder engagement, innovation and efficiency, environmental responsibility, climate change, occupational health and safety, talent attraction and retention, diversity and inclusion, community engagement and investment, corporate governance and ethics and compliance. The report also highlights achievements, and long-term targets related to greenhouse gas emissions, hazardous waste recycling, and non-fossil fuel consuming products. We participate in a sustainability benchmarking initiative (The Sustainability Alliance Scor3card) through which we monitor and report in the key areas of energy, material management, water, community stewardship, transportation, communication, and health. We achieved Platinum level in this program in 2022 and 2021. Our ESG committee provides oversight for ESG activities and ESG report development

and an internal grassroots sustainability committee provides education opportunities, communications and recommendations to the Company on a regular basis.

We are committed to environmental responsibility and continue to make progress toward reducing greenhouse gas emissions ("GHG") emissions, increasing hazardous waste recycling from our facilities and increasing the percentage of non-fossil fuel powered units we produce. Our approach toward emissions reduction and climate change includes product solutions for our customers and improvements to our own facilities. Approximately one-quarter of our energy portfolio is currently derived from renewable sources, and the Company's Scope 1 and 2 emissions (emissions that occur from sources that are controlled or owned by an organization and emissions associated with the purchase of electricity, steam, heat, or cooling) are being tracked. We opted into an additional percentage of renewable energy at our Tulsa, Oklahoma facilities in 2022, continued to invest and partner on projects that reduce GHG emissions globally and selected to begin the transition to the lower global warming potential R-454B refrigerant starting in 2023. We continue to develop and manufacture non-fossil fuel consuming units to provide the most sustainable commercial HVAC equipment in the market and announced the zero degree cold air-source heat pump in 2022 as a critical solution that meets the increasing demand for building decarbonization in cold climates.

In the area of energy efficiency and conservation, our Tulsa, Oklahoma and Longview, Texas facilities have transitioned to over 95% LED lighting in our facilities leading to considerable cost savings and reduced energy consumption. Our Redmond, Oregon facilities are installing LED lights into any new fixtures in their current facility and working towards retrofitting old fixtures to LED. We participate in an energy demand response program through the public utility provider to reduce demand during peak hours. Energy efficiency has been a priority not only in product development, but also in overall capital investments which include the acquisition of new, energy efficient equipment for the production floor, new high-speed overhead facility doors, the installation of new HVAC equipment, building control systems, the application of heat and light reflective material to production facilities, along with other behavioral-based energy efficiency changes. We are tracking our energy usage intensity before and after these updates.

In the area of material management, we focus on recycling, reducing, reusing and sourcing more environmentally friendly materials into our processes. At our Tulsa, Oklahoma and Longview, Texas facilities, we recycled over 14,928 tons and 13,793 tons of metal in 2022 and 2021, respectively. Also, through our partnership with a waste to energy facility, we successfully diverted over 668 tons and 460 tons of waste from landfills in 2022 and 2021, respectively. The Company has identified hazardous waste recycling partners for paint products at both the Tulsa, Oklahoma and Longview, Texas facilities. We also recycle paper, wood, and cardboard where available. We continue to innovate ways to reduce and reuse shipping packaging between facilities and identify new opportunities to reduce or reuse items in our production and administrative areas.

We also strive to add value and support to the communities in which our employees live and work, through financial contributions, employee volunteerism and donations.

We endeavor to attract, employ and retain a well-rounded, diverse team of individuals. Additionally, we place priorities on developing and maintaining an inclusive and safe workplace and strive to emphasize and support opportunities for our team members to engage in professional and personal development.

Our commitment to these practices runs deep and not only improves the well-being of our workforce, but also contributes to the communities in which we operate and provides the Company the best opportunity to continue to deliver value to our stockholders, team members and all other stakeholders.

## Director Diversity

Our directors have a diverse mix of backgrounds, qualifications, skills and experiences that we believe contribute to a well-rounded Board that is positioned to effectively oversee our strategy. We have a balance of new and tenured directors, reflecting our commitment to proactive Board refreshment. Assuming the re-election of the three Class II directors to the Board, the average age of our directors will be 62 years; the median tenure will be 6.5 years; six of our eight directors or 75% are independent; and 50% of our directors are diverse.

## Director Independence

The Board has adopted director independence standards that meet and/or exceed listing standards set by NASDAQ. NASDAQ has set forth six applicable tests and requires that a director who fails any of the tests be deemed not independent. The Board has affirmatively determined that Ms. Kouplen, Ms. Lawhorn and Messrs. LeClair, McElroy, Stewart and Ware are independent under the Company's guidelines and independence standards of NASDAQ and the SEC. Messrs. Asbjornson and Fields do not qualify as independent under the standards set forth below.

Our director independence standards are as follows:

It is the policy of the Board that a majority of the members of the Board consist of directors independent of AAON and our management. For a director to be deemed "independent," the Board must affirmatively determine that (apart from his or her status as a director) the director has no material relationship with AAON or its affiliates or any member of the senior management of AAON or his or her affiliates. In making this determination, the Board applies, at a minimum and in addition to any other standards for independence established under applicable statutes and regulations as outlined by the NASDAQ listing standards, the following standards, which it may amend or supplement from time to time:

- A director who is, or has been within the last three years, one of our employees, or whose immediate family member is, or has been within the last three years a Named Executive Officer, cannot be deemed independent. Employment as an interim Chair or Chief Executive Officer will not disqualify a director from being considered independent following that employment.

- A director who has received, or who has an immediate family member who has received, during any twelve-month period within the last three years, more than \$120,000 in direct compensation from us, other than director and committee fees and benefits under a tax-qualified retirement plan, or non-discretionary compensation for prior service (provided such compensation is not contingent in any way on continued service), cannot be deemed independent. Compensation received by a director for former service as an interim Chair or Chief Executive Officer and compensation received by an immediate family member for service as a non-executive employee will not be considered in determining independence under this test.
- A director who (A) is, or whose immediate family member is, a current partner of a firm that is our external auditor; (B) is a current employee of such a firm; or (C) was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on our audit within that time cannot be deemed independent.
- A director who is, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of our present Named Executive Officers at the time serves or has served on that company's compensation committee cannot be deemed independent.
- A director who is a current employee or general partner, or whose immediate family member is a current executive officer or general partner, of an entity that has made payments to, or received payments from us for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$200,000 or 5% of such other entity's consolidated gross revenues, other than payments arising solely from investments in AAON's securities or payments under non-discretionary charitable contribution matching programs, cannot be deemed independent.

For purposes of the independence standards set forth above, the terms:

- "affiliate" means any consolidated subsidiary of AAON and any other company or entity that controls, is controlled by or is under common control with AAON;
- "executive officer" means an "officer" within the meaning of Rule 16a-1(f) under the Exchange Act, as amended; and
- "immediate family" means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than employees) sharing a person's home, but excluding any person who is no longer an immediate family member as a result of legal separation or divorce, death or incapacitation.

In addition to the director independence standards set forth above, the Board also requires the Chairs and all other committee members to satisfy the heightened independence standards set forth under applicable NASDAQ and SEC rules for committee memberships. In connection with its assessment of the independence of the directors as set forth above, the Board also determined that our Audit Committee Chair and all other Audit Committee members meet the additional independence standards of NASDAQ and the SEC applicable to members of the Audit Committee.

The Board undertakes an annual review of the independence of all non-employee directors. In advance of the meeting at which this review occurs, each non-employee director is asked to provide the Board with full information regarding the director's business and other relationships with us and our affiliates and with senior management and their affiliates to enable the Board to evaluate the director's independence.

Directors have an affirmative obligation to inform the Board of any material changes in their circumstances or relationships that may impact their designation by the Board as "independent". This obligation includes all business relationships between, on the one hand, directors or members of their immediate family, and, on the other hand, AAON and our affiliates or members of senior management and their affiliates, whether or not such business relationships are subject to any other approval requirements by us.

## EXECUTIVE COMPENSATION

### Compensation Discussion and Analysis

This compensation discussion and analysis provides information regarding our executive compensation program in 2022 for the following executive officers of the Company (collectively, the "named executive officers" or "NEOs"):

Gary D. Fields	President and Chief Executive Officer
Rebecca A. Thompson	Vice President, Finance, Chief Financial Officer and Treasurer
Larry G. Stewart <sup>(1)</sup>	Former Executive Vice President
Stephen E. Wakefield	Vice President and Chief Operating Officer
Casey R. Kidwell <sup>(2)</sup>	Vice President, Administration
Gordon D. Wichman <sup>(3)</sup>	Vice President, Executive Vice President of AAON Coil Products

<sup>(1)</sup> Mr. Stewart was hired as Vice President of the Company and President of AAON Coil Products, Inc. effective April 1, 2020. He was promoted to Executive Vice President of AAON, Inc. effective January 1, 2022. Mr. Stewart resigned from the Company effective August 16, 2022.

<sup>(2)</sup> Mr. Kidwell was hired as Director of Administration in June 2021. He was promoted to Vice President, Administration effective May 12, 2022.

<sup>(3)</sup> Mr. Wichman was promoted to Executive Vice President of AAON Coil Products effective January 1, 2022 and President of AAON Coil Products effective February 24, 2023.

Mr. Gary Fields and Ms. Rebecca Thompson are NEOs by reason of their positions as the principal executive officer ("PEO") and principal financial officer ("PFO"), respectively, of the Company during 2022. Mr. Stephen Wakefield, Mr. Casey Kidwell and Mr. Gordon Wichman are NEOs as they were our three most highly compensated executive officers (other than our PEO and PFO) who were serving at the end of 2022. Mr. Gene Stewart is an NEO as he would have been included but for the fact that he was not serving as an executive officer at the end of 2022.

### Executive Summary

During 2022, our executive officers led our efforts to increase sales, execute our internal capital expenditure programs and position the Company to capitalize on anticipated growth. Some of the key accomplishments during 2022 include:

- Our backlog has been at record levels during all of 2022. New bookings from BASX were a record for that business as it benefited from a strong pipeline of projects in the data center and semiconductor markets. Revenue synergies from the BASX acquisition has increased bookings for AAON Coil Products as well. Bookings continue to be strong primarily due to our favorable lead times and strong end-market demand.
- Net sales for 2022 grew 66.3% to \$888.8 million due to organic growth, the addition of BASX revenues and price increases realized during the year.
- Overall gross margin increased 90 basis points in 2022, as the increased costs of material and labor were offset by increased efficiencies of operations as well as price increases.
- We invested in the future growth of the Company as evidenced by our \$54.0 million in capital expenditures and \$22.0 million for the purchase of the BASX building.
- We were able to attract and retain talent in a tight labor market to meet the robust demands for our products and services, growing headcount 36.2% in 2022.

The following outlines key features of our compensation program, in addition to typical "best practices" that we adhere to:

What We Do	What We Do Not Do
<b>Pay for Performance:</b> Our executive compensation plan is aligned with stockholder interests by rewarding for strong financial performance and stock price appreciation.	<b>No Stock Option Re-Pricing:</b> We do not permit re-pricing of equity awards without stockholder approval.
<b>Stock Ownership /Retention Requirements:</b> Our directors, executive officers and certain other key employees are subject to robust stock ownership and retention requirements.	<b>No Tax Gross-Ups:</b> We do not provide tax gross-ups.
<b>At-Will Employment:</b> Our executive officers are employed at-will and we do not use employment agreements.	<b>No Hedging in Company Securities:</b> Our directors, executive officers and other employees are prohibited from engaging in hedging transactions, short sales or derivative transactions with respect to AAON securities.
<b>Independent Compensation Consultant:</b> We utilize an independent compensation consultant reporting directly to the Compensation Committee.	<b>Perquisites:</b> We do not offer perquisites to our NEOs. Benefits available to our NEOs are consistent with those offered to all employees.
<b>Compensation Clawback:</b> Our executive officers are subject to a compensation clawback policy (with a three-year look-back period) that requires reimbursement of any bonus or incentive compensation (as well as the cancellation of unvested, restricted or deferred equity awards) in the event of officer misconduct that was a material factor causing a restatement of the Company's financial statements.	

Our executive compensation programs are determined and approved by our Compensation Committee, after consideration of recommendations by the PEO (for individuals other than himself) and information provided by the Compensation Committee's independent compensation consultant. The Compensation Committee, however, uses its own judgment to ultimately make the final decisions concerning compensation paid to our NEOs.

The Compensation Committee has the direct responsibility and authority to review and approve our goals and objectives relative to the compensation of the NEOs, and to determine and approve (either as a committee or with the other members of our Board who qualify as "independent" directors under applicable guidelines adopted by NASDAQ) the compensation levels of the NEOs. However, when making pay decisions for the NEOs, we consider input and recommendations from the Company's PEO (for individuals other than himself).

Our historical executive compensation programs have intended to achieve two objectives:

- To enhance our profitability and stockholder value; and
- To attract, motivate, reward and retain high quality employees, including executive personnel, who contribute to our long-term success.

As described in more detail below, the material elements of our historical executive compensation program for NEOs include a base salary, annual incentive bonuses, equity-based compensation and Company contributions to AAON's 401(k) plan.

We believe that each element of the executive compensation program helps to achieve one or both of the compensation objectives outlined above. The table below lists each material element of our executive compensation program and the compensation objective or objectives that it is designed to achieve.

<b>Compensation Element</b>	<b>Compensation Objectives</b>
Base Salary	<ul style="list-style-type: none"> <li>- Attract and retain qualified executives</li> <li>- Motivate and reward executives' performance</li> <li>- Stay competitive in the marketplace</li> </ul>

Retirement Benefits – 401(k) and Health Savings Account	<ul style="list-style-type: none"> <li>- Attract and retain qualified executives</li> <li>- Stay competitive in the marketplace</li> </ul>

### **Compensation Philosophy**

Our executive compensation program is designed to reward performance for enhanced profitability, revenue growth and ultimately increased stockholder value. We believe in a compensation plan that fosters a culture of ownership and allows us to attract and retain top talent who are similarly focused on the creation of long-term value. We reward our executive officers with a pay mix that emphasizes long-term compensation through performance share units, stock options and restricted stock awards to align stockholders' and executives' interests. We strive to provide total compensation that aligns with our peer group market median for NEOs and utilize an annual bonus and equity program to incentivize executive officers to meet Company performance goals. We maintain a compensation program that operates in the best interests of AAON and our stockholders, rewarding NEOs based on performance.

Under the terms of the Compensation Committee Charter, the Compensation Committee is authorized to engage independent advisors, at the Company's expense, to advise the Compensation Committee on any matters within the scope of the Committee's duties. For 2022, the Compensation Committee retained Meridian Compensation Partners, LLC ("Meridian") to serve as an independent consultant to the Committee to provide information and objective advice regarding executive compensation. The Committee did not direct Meridian to perform its services in any particular manner or under any particular method. The Committee has the final authority to hire and terminate the compensation consultant and the Committee evaluates the compensation consultant annually. Meridian does not provide any services to the Company other than in its role as advisor to the Committee, and the Committee has determined that no conflicts of interest exist as a result of the engagement of Meridian.

## Benchmarking and Peer Group

The Compensation Committee evaluates executive compensation by benchmarking our NEOs' target total compensation relative to comparable market data provided by our independent compensation consultant. Market references are provided for our NEOs, where available, from our peer group which consists of 17 publicly-traded companies in similar industries to AAON (detailed below). This group is reviewed and approved annually, with changes made as needed, considering changes to business characteristics, size, M&A, etc. Where data may be limited for certain roles, or as an additional market reference, survey data is also used and is reflective of manufacturing organizations with revenue approximately 0.3 to 3x that of AAON.

Each element of compensation is benchmarked against peer and/or survey-reported pay information, as applicable. Target total compensation is generally targeted within a reasonable range of median; however, variation may exist based on individual and company performance, tenure in role, future potential, internal equity, etc.

When making compensation-related decisions, the Committee considers individual and company performance, tenure, future potential, etc. The Committee generally sets target total direct compensation for our NEOs to be competitive with the Company's peer group and other market data.

### Peer Group Used for 2022 Pay Decisions

---

Ameresco, Inc.	Powell Industries, Inc.
Armstrong World Industries, Inc.	Quanex Building Products Corporation
CECO Environmental Corp.	Raven Industries, Inc.
CSW Industrials, Inc.	Simpson Manufacturing Co., Inc.
Encore Wire Corporation	The Gorman-Rupp Company
Gibraltar Industries, Inc.	Thermon Group Holdings, Inc.
Insteel Industries, Inc.	Trex Company, Inc.
Lyndall, Inc.	Vicor Corporation
PGT Innovations, Inc.	

Based on the Committee's 2021 peer group review (to determine the peer group used to establish 2022 pay levels), Powell Industries was added as they are similar in size, business characteristics and complexity.

## Say-On-Pay

We annually provide our stockholders the opportunity to cast an advisory vote to approve the compensation of our NEOs as disclosed pursuant to the SEC's compensation disclosure rules.

**Proposal No. 2** in this Proxy Statement provides our stockholders an opportunity to cast an advisory vote to approve the compensation of our NEOs. The results of this advisory vote (commonly known as a "say-on-pay proposal"), while not binding on the Company, are considered by the Compensation Committee in its determinations regarding the key components, design and implementation of our executive compensation program.

At our 2022 Annual Meeting of Stockholders, the ballot included our most recent say-on-pay proposal. The vote was not binding on the Company, the Board of Directors or the Compensation Committee. Of the votes cast, including abstentions, 95.01% were "FOR" the compensation of the NEOs. Taking into consideration these results, the Compensation Committee determined that the Company's executive compensation practices for 2022 continued to be appropriate and therefore did not make any specific changes to them in response to the 2022 say-on-pay vote.

## 2022 Executive Compensation Program Elements

The following discussion, as well as the historical information contained in the tables below, are based upon our historical and current compensation plans, in effect in 2022 and in the previous reported year.

### Base Salaries

Below is a summary of 2022 annual base salaries for our NEOs:

Named Executive Officer	2021 Base Salary	2022 Base Salary <sup>(4)</sup>	Percent Increase
Gary D. Fields	\$700,000	\$725,000	4%
Rebecca A. Thompson	\$325,000	\$345,000	6%
Larry G. Stewart <sup>(1)</sup>	\$265,000	\$330,000	25%
Stephen E. Wakefield	\$300,000	\$315,000	5%
Casey R. Kidwell <sup>(2)</sup>	\$—	\$275,000	
Gordon D. Wichman <sup>(3)</sup>	\$—	\$250,000	

<sup>(1)</sup> Mr. Stewart was hired as Vice President of the Company and President of AAON Coil Products, Inc. effective April 1, 2020. He was promoted to Executive Vice President of AAON, Inc. effective January 1, 2022. Mr. Stewart resigned from the Company effective August 16, 2022.

<sup>(2)</sup> Mr. Kidwell was hired as Director of Administration in June 2021. He was promoted to Vice President, Administration effective May 12, 2022.

<sup>(3)</sup> Mr. Wichman was promoted to Executive Vice President of AAON Coil Products effective January 1, 2022 and President of AAON Coil Products effective February 24, 2023.

<sup>(4)</sup> Base salary represents ending salary, inclusive of increases due to promotions in 2022.

Mr. Stewart's large increase in salary was a result of his promotion to Executive Vice President of the Company effective January 1, 2022 from President of AAON Coil Products, Inc.

In approving these executives' salary levels, the Committee took into account certain factors, including, recommendations of the principal executive officer (except as it related to himself), each executives' individual experience and responsibilities, and the Company's performance. Further, as shown in the comprehensive benchmarking study conducted by the independent compensation consultant, base salary levels for each of our NEOs were positioned below the median of the applicable market benchmark. Base salary increases were based on individual and Company performance, market data (with market adjustments made with the intention of beginning to close the "gap" to the market median, over time) and other internal considerations.

### Annual Cash Incentive Bonuses

We have an "at risk" annual incentive bonus which is intended to facilitate alignment of management with corporate objectives and stockholder interests in order to achieve outstanding performance and to meet specific financial goals by:

- providing the employees designated by the Committee, incentive compensation tied to stockholder interests and goals for the Company;
- providing competitive compensation to attract, motivate, reward and retain employees who achieve outstanding performance;
- fostering accountability and teamwork throughout the Company; and
- contributing to the long-term success of the Company.

We believe the annual incentive bonus should be a substantial component of total compensation and based upon achievement of the Company's annual "Opportunity Budget" and is weighted on the following two components which drive stockholder value:

1. Operating Profit (67%) - The Company's Operating Profit calculated as the Company's budgeted net sales and the net income before "profit sharing" and income taxes, but after bonus accrual; and
2. Net Sales (33%) - The Company's budgeted net sales.

The Annual Incentive compensation opportunity is expressed as a percentage of the executive officer's base salary multiplied by a bonus factor. Bonus factors for each Named Executive Officer are as follows:

Named Executive Officer	2021 Bonus Target	2022 Bonus Target
Gary D. Fields	100%	100%
Rebecca A. Thompson	65%	65%
Larry G. Stewart <sup>(1)</sup>	60%	—%
Stephen E. Wakefield	65%	65%
Casey R. Kidwell <sup>(2)</sup>	—%	50%
Gordon D. Wichman <sup>(3)</sup>	—%	50%

<sup>(1)</sup> Mr. Stewart was hired as Vice President of the Company and President of AAON Coil Products, Inc. effective April 1, 2020. He was promoted to Executive Vice President of AAON, Inc. effective January 1, 2022. Mr. Stewart resigned from the Company effective August 16, 2022.

<sup>(2)</sup> Mr. Kidwell was hired as Director of Administration in June 2021. He was promoted to Vice President, Administration effective May 12, 2022.

<sup>(3)</sup> Mr. Wichman was promoted to Executive Vice President of AAON Coil Products effective January 1, 2022 and President of AAON Coil Products effective February 24, 2023.

The following table reflects performance and payout level percentages for the Annual Incentive compensation opportunity:

Metric	Weighting	Performance Level (% of Target) <sup>(1)</sup>			Payout Level (% of Target) <sup>(1)</sup>		
		Threshold	Target	Maximum	Threshold	Target	Maximum
Operating Profit	67%	80%	100%	125%	33.33%	100%	200%
Net Sales	33%	95%	100%	105%	33.33%	100%	200%

<sup>(1)</sup> For performance between stated levels shown, payouts are determined based on straight-line, linear interpolation. No payout will be made if threshold performance is not met.

For 2022, we utilized two distinct Opportunity Budgets. We believe the use of two distinct Opportunity Budgets is appropriate based upon the responsibilities as well as the scope of influence of our PEO, PFO and our other NEOs.

The first Opportunity Budget includes Mr. Fields and Ms. Thompson, as the PEO and PFO of the Company, have significant influence over and are accountable for the results of the entire Company, AAON, Inc. (a Nevada Corporation). Thus the Opportunity Budget for Mr. Fields and Ms. Thompson was based upon the Company's consolidated results, including the results of BASX, Inc.

The second Opportunity Budget applies to the other NEOs, as they have significant influence over and are accountable for the results of the legacy companies, AAON-Oklahoma and AAON Coil Products, Inc. For the other NEOs, the Opportunity Budget for 2022 was based upon the consolidated results of the legacy companies.

The following table details the actual results for the fiscal year ended December 31, 2022 for the Company:

Metric	Opportunity Budget	Actual Results	% of Opportunity Budget	Bonus Factor
Operating Profit	\$130.2 million	\$130.5 million	100%	.68
Net Sales	\$756.5 million	\$888.8 million	117%	.66
			Weighted Bonus Factor	1.34

The following table details the actual results for the fiscal year ended December 31, 2022 for the legacy companies:

Metric	Opportunity Budget	Actual Results	% of Opportunity Budget	Bonus Factor
Operating Profit	\$119.7 million	\$122.0 million	102%	.72
Net Sales	\$656.8 million	\$771.1 million	117%	.66
			Weighted Bonus Factor	1.38

The eligible bonus amounts for our NEOs are shown in the table below:

Named Executive Officer	Base Salary	Eligible % of Base Salary	Bonus Target	Weighted Bonus Factor	Annual Incentive Bonus Amount
Gary D. Fields	\$720,192 <sup>(1)</sup>	100%	\$720,192	1.34 <sup>(5)</sup>	\$1,106,626
Rebecca A. Thompson	\$341,154 <sup>(1)</sup>	65%	\$221,750	1.34	\$296,291
Larry G. Stewart <sup>(2)</sup>	\$240,855 <sup>(1)</sup>	—	—	—	—
Stephen E. Wakefield	\$312,115 <sup>(1)</sup>	65%	\$202,875	1.38	\$280,453
Casey R. Kidwell <sup>(3)</sup>	\$238,246 <sup>(1)</sup>	50%	\$119,123	1.38	\$164,675
Gordon D. Wichman <sup>(4)</sup>	\$250,000 <sup>(1)</sup>	50%	\$125,000	1.38 <sup>(5)</sup>	\$198,719

<sup>(1)</sup> Salary is cash compensation for the year and reflects varying pay levels during the year.

<sup>(2)</sup> Mr. Stewart was hired as Vice President of the Company and President of AAON Coil Products, Inc. effective April 1, 2020. He was promoted to Executive Vice President of AAON, Inc. effective January 1, 2022. Mr. Stewart resigned from the Company effective August 16, 2022.

<sup>(3)</sup> Mr. Kidwell was hired as Director of Administration in June 2021. He was promoted to Vice President, Administration effective May 12, 2022.

<sup>(4)</sup> Mr. Wichman was promoted to Executive Vice President of AAON Coil Products effective January 1, 2022 and President of AAON Coil Products effective February 24, 2023.

<sup>(5)</sup> Mr. Fields and Mr. Wichman both received additional 15% discretionary amounts as part of the Annual Incentive Bonus

For our NEOs to be eligible to qualify for the Company's annual incentive cash bonus, the Company's actual performance must equal at least 80% of the annual Opportunity Budget threshold amount for Operating Profit and at least 95% of the annual Opportunity Budget threshold amount for Net Sales which is set in advance (typically in December for the following year) by the Compensation Committee.

At the recommendation of the Compensation Committee, the Board has the discretion in the case of Mr. Fields and Mr. Fields has the discretion in the case of other NEOs to increase or decrease the bonus amount earned by each NEO up to 15% based upon how such individual has performed in relation to his or her annual objectives. No such adjustments were made for 2020 or 2021. For 2022, Mr. Fields' bonus was increased \$144,343 and Mr. Wichman's bonus was increased \$25,920.

The annual incentive bonus, when awarded, is reported in the "Summary Compensation Table" for each NEO. The "Non-Equity Incentive Plan Compensation" column is the result of the bonus target multiplied by the bonus factor and the "Bonus" column represents any discretionary adjustments made to the Non-Equity Incentive Plan Compensation value.

## **Equity-Based Compensation**

Our policy is that the NEOs' long-term compensation should be directly linked to enhancing profitability and value provided to our stockholders. Accordingly, the Compensation Committee grants equity awards under our 2016 Incentive Plan, designed to link an increase in stockholder value to compensation. Such grants are largely based upon the recommendation of the principal executive officer (except as to himself) based on the NEOs performance in the prior year and his or her expected future contribution to our performance.

Positive overall Company performance (financial as well as stock price performance) is a primary element associated with the grant of equity-based compensation to the executive officers as a group. When determining the total value of compensation provided to our executive officers, our Compensation Committee, with the advice of our CEO, evaluates various aspects of Company performance in light of general economic conditions, as well as comparison of the Company's performance against similar competitors in the industry. Performance elements considered may include improvement in sales performance, cost containment initiatives, product and marketing development, risk management, or successful completion of major capital projects, including enhancements to manufacturing operations. These elements have not been specifically weighted in determining the amount of the equity incentive awards because the relative importance of each element may change from time to time and the responsibilities of each executive officer, as they contribute to the achievement of any particular objective, may vary.

Factors considered when determining any specific equity-based award include:

- the responsibilities of the executive officer;
- the scope, level of expertise and experience required for the executive officer's position and the period during which the officer has performed these responsibilities;
- the strategic impact of the officer's position; and
- the potential future contribution of the officer.

Beginning with grants made in 2021, the Compensation Committee initiated the use of Performance Share Units (PSUs) for NEOs tied to long-term performance criteria and the equity award mix was changed to 50% stock options, 25% restricted shares and 25% PSUs. The PSUs will measure AAON's three-year total shareholder return (TSR) relative to the constituents of the S&P 600 SmallCap Capital Goods Industry Group (as constituted at the beginning of the performance period). In addition, the vesting horizon for the time-vested restricted shares and stock options was changed to three years to align with the three-year performance period/vesting horizon of the PSUs. Please see the exhibit below

for the relative TSR performance and payout scale:

<b>TSR Percentile Ranking</b>	<b>Payout as a % of Target</b>
80th Percentile or Above	200%
55th Percentile	100%
30th Percentile	50%
Below 30th Percentile	—%

Results between points are interpolated on a straight-line basis. In the event that AAON's absolute TSR is negative over the 3-year performance period, the payout will be capped at 100% of target, regardless of relative performance.

The Committee further increased the emphasis on PSUs in 2022, where the current equity award mix is now 50% PSUs, 25% restricted shares and 25% stock options. These changes have been made considering market "best practices" to balance the need for retention with motivation of long-term performance and shareholder alignment. Over time, the increased use of PSUs and restricted shares as a key component of our Long-Term Incentive Plan will reduce the dilutive effect inherent with the use of stock options.

Awards may be granted to new key employees on their hire date. Other grant date determinations are made by the Compensation Committee, which are based upon the date the Committee met and proper communication was made to the NEO or key employee as defined in the definition of grant date by FASB ASC Topic 718. Stock option exercise prices are equal to the value of AAON stock on the close of business on the determined grant date. We have no program or practice to coordinate timing of grants with release of material, nonpublic information.

We believe it is important for a significant portion of our total compensation to executive officers be in the form of equity. This approach helps ensure the interests of our executive officers are properly aligned with our stockholders and also rewards our executive officers for driving results that enhance profitability and increase stockholder value.

#### **Retirement Benefits - Defined Contribution Plan, 401(k) and Health Savings Account**

We sponsor a defined contribution plan (the "Plan"). Eligible employees may make contributions in accordance with the Plan and IRS guidelines. In addition to the traditional 401(k), eligible employees are given the option of making an after-tax contribution to a Roth 401(k) or a combination of both. The Plan provides for automatic enrollment and for an automatic increase to the default deferral percentage at January 1st of each year. Eligible employees are automatically enrolled in the Plan at a 6% deferral rate and currently contributing employees' deferral rates are increased to 6% each year, unless their current rate is above 6% or the employee elects to decline the automatic enrollment or increase.

The Company presently matches 175% up to 6% of employee contributions of eligible compensation. Administrative expenses for the Plan are paid for by Plan participants. Additionally, Plan participant forfeitures are used to reduce the cost of the Company contributions. We contribute in the form of cash and direct the investment to shares of AAON stock. Employees are 100% vested in salary deferral contributions and vest 20% per year at the end of years two through six of employment in employer matching contributions.

The amounts contributed by us to each NEO under the 401(k) plan are based on actual contributions and the base salary, bonus and equity compensation of the employee, and are reported in the "All Other Compensation" column of the "Summary Compensation Table" for each NEO, if applicable, and if the threshold reporting requirements were met. Our employees participate in a high-deductible

health savings plan wherein they may open a Health Savings Account. We match 175% of employee contributions to their Health Savings Account.

### Equity Ownership and Retention Guidelines

The Board approved robust equity ownership and retention guidelines for directors, executive officers and other key employees in order to further align the interest of our directors and executive officers with those of our stockholders. Our equity ownership and retention guidelines are as follows:

- Amount of Ownership: determined as a multiple of the individual's base salary or a specified dollar value, as noted below. These amounts represent the minimum amount of AON stock an individual should seek to acquire and maintain:

Position	Minimum Stock Ownership Requirements
CEO	6 times base salary
President (when separate from CEO)	4 times base salary
Other Executive Officers	3 times base salary
Non-Officer Senior Leadership Team Members	2 times base salary
Chair and Vice Chair	6 times base retainer plus chair fee
Directors	6 times base retainer

- Eligible Forms of Equity to Determine Value:
  - Shares actually owned by the individual will be valued at market value if the individual provides documentation of such ownership
  - Shares held in the Company's 401(k) plan
  - Unvested restricted stock awards
- Retention Requirements for Equity Awards:
  - In the event a Subject Person is not meeting the Minimum Stock Ownership requirements, the Subject Person must retain 75%, net of taxes, of each award as it vests.

As of March 20, 2023, all current non-employee directors, except Mr. Stewart and Mr. Ware satisfy the ownership requirement. As of March 20, 2023, all current non-employee directors are in compliance with the Company's Retention Requirements. Since Mr. Fields is an executive officer of the Company (in addition to being a director), he must comply with the equity ownership guidelines applicable to his respective officer position. As of March 20, 2023, Ms. Thompson and Mr. Wakefield satisfy the minimum ownership requirement and all other NEOs are in compliance with the Company's Retention Requirements.

### Prohibition on Hedging Stock

Our Insider Trading Policy prohibits our directors, NEOs and all other insiders (including each of their designees) from engaging in short sales or from hedging transactions of any nature that are designed to hedge or offset a decrease in market value of such person's ownership of the Company's equity securities. Our Insider Trading Policy also prohibits our directors, NEOs and all other insiders (including each of their designees) from purchasing financial instruments or engaging in other problematic transactions involving the Company's equity securities, including, puts, calls, collars, forward contracts or other derivative securities concerning the Company's equity securities. We prohibit such conduct since purchasing such financial instruments or engaging in such transactions would result in our

insiders no longer being exposed to the full risks of ownership of the Company's equity securities, which may weaken the alignment of our insiders with the objectives of the Company's stockholders. Additionally, our directors, NEOs and all other insiders may not hold their Company equity securities in a margin account.

### **Clawback Policy**

Our Company has a Compensation Adjustment and Recovery Policy for our NEOs. Pursuant to this policy (commonly referred to as a clawback policy), our NEOs are subject to a compensation clawback (with a three-year look-back period) that requires reimbursement of any bonus or incentive compensation (as well as the cancellation of unvested, restricted or deferred equity awards) in the event of officer misconduct that was a material factor causing a restatement of the Company's financial statements.

### **Compensation Committee Report**

The Compensation Committee has reviewed and discussed with management the disclosures contained in the Compensation Discussion and Analysis section of this Proxy Statement required by Item 402(b) of Regulation S-K. Based upon this review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis section be included in this Proxy Statement and incorporated by reference in our Form 10-K.

Compensation Committee of the Board of Directors:

Angela E. Kouplen, Chair  
A.H. McElroy II, Member  
Bruce Ware, Member

*The information contained in this Compensation Committee Report shall not be deemed to be "soliciting material" or to be "filed" with the SEC, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates such information by reference in any such filing.*

### **Compensation Committee's Interlocks and Insider Participation**

No member of the Compensation Committee is or has been a former or current NEO of AAON or had any relationships requiring disclosure by us under the SEC's rules requiring disclosure of certain relationships and related-party transactions. None of our NEOs identified herein served as a director or a member of a compensation committee (or other committee serving an equivalent function) of any other entity.

### **Compensation of Named Executive Officers**

The "Summary Compensation Table" set forth below should be read in connection with the tables and narrative descriptions that follow. The "Grants of Plan-Based Awards Table", and the description of the material terms of the non-qualified options and restricted stock awards granted in 2022, 2021 and 2020 that follows it, provide information regarding the long-term equity incentives awarded to NEOs in 2022, 2021 and 2020 that are also reported in the "Summary Compensation Table". The "Outstanding Equity Awards at Fiscal Year End Table" and "Option Exercises and Stock Vesting Table" provide further information on the NEOs' potential realizable value and actual value realized with respect to their equity awards.

Except for the separation agreement with Mr. Stewart, we did not have any pension plans, non-qualified deferred compensation plans or severance, retirement, termination, written or unwritten constructive termination or change in control arrangements for any of our NEOs for the year ended December 31, 2022.

### Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table

A discussion of 2022 salaries, bonuses and long-term incentive awards is included in "Executive Compensation".

NEOs are not separately entitled to receive dividend equivalent rights with respect to each stock option; however, dividends are paid for restricted stock awards (retroactively upon vesting). Each non-qualified stock option award described in the "Grants of Plan-Based Awards Table" above expires on the tenth anniversary of its associated grant date and vests in equal installments over three years for Board members and five years for executives. As of March 2021, all new non-qualified stock option grants vest in equal installments over three years for both Board members and executives.

Restricted stock awards vest in equal installments over the course of one, two or three years for Board members (with such vesting period determined by, and equal to, the amount of time remaining on such Board member's then current term). Restricted stock awards granted to Gary D. Fields vest over a three, two or one-year period (in the case of awards relating to his service as a director). In the case of awards relating to his service as an officer, historically, restricted stock awards vested over five years. However, as of March 2021, all new grants of restricted stock awards vest over three years.

The following table presents information regarding outstanding equity awards as of December 31, 2022:

## CEO Pay Ratio

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information concerning the relationship of the annual total compensation of our employees and the annual total compensation of Mr. Gary D. Fields, our CEO. For 2022, our last completed fiscal year:

- the median of the annual total compensation of all employees of our Company (excluding our CEO) was \$51,936; and
- the annual total compensation of our CEO, as reported in the Summary Compensation Table included in this Proxy Statement, was \$3,401,462.

Based on this information, the ratio of the annual total compensation of our CEO to the median of the annual total compensation to all other employees for 2022 was 65.49 to 1.

To identify the median of the annual total compensation of all our employees, as well as to determine the annual total compensation of our median employee and our CEO, we took the following steps:

1. We determined that, as of December 31, 2022, our employee population consisted of approximately 3,666 individuals with all of these individuals located within the United States (as reported in Item 1, *Business*, in our Annual Report on Form 10-K filed with the Securities and Exchange Commission on February 27, 2023 (our "Annual Report")). This population consisted of our full-time, part-time and temporary employees.
  - a. We used December 31, 2022 for our determination date for ease of reconciling data back to tax and payroll records.
2. To identify the "median employee" from our employee population, we compared the amount of salary, wages, 401(k) contributions and HSA contributions as reflected in our payroll records as reported to the Internal Revenue Service on Form W-2 for 2022.
  - a. Based on our particular facts and circumstances, we determined annualizing the total compensation of our permanent partial year employees would not reasonably reflect the annual compensation of our employee population. As a result, we did not annualize the total compensation of our permanent employees who worked less than all of 2022 and therefore excluded such partial year employees from the employee population utilized in our calculations.

Since we historically widely distribute annual equity awards to all levels of our employees, such awards were included in our compensation measure.

3. We identified our median employee using this compensation measure, which was consistently applied to all of our employees included in the calculation. Since all of our employees (including our CEO) are located in the United States, we did not make any cost-of-living adjustments in identifying the median employee.
4. After identifying our median employee, we combined all of the elements of such employee's compensation for 2022 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, which resulted in annual total compensation of \$51,936. The difference between such employee's wages and the employee's annual total compensation represents the estimated value of such employee's 401(k) matching contributions, HSA matching contributions, and equity awards.

For the annual total compensation of our PEO, we use the amount reported in the “Total” column of our 2022 Summary Compensation Table included in this Proxy Statement and incorporated by reference under Item 11 of Part III of our Annual Report.

All fair value calculations were performed in accordance with the provisions of FASB ASC Topic 718 and consistent with the methods utilized to calculate grant date fair values as disclosed in Note 14 - *Share-Based Compensation* to our consolidated financial statements in our Annual Report on Form 10-K for the year ended December 31, 2022. Non-qualified stock option fair values are calculated based on the Black-Scholes option pricing model. Adjustments have been made using our stock price as of each measurement date and updated assumptions for expected term, volatility, dividend yield and interest rates. Restricted stock award adjustments have been made using our stock price as of each measurement date and updated assumptions for interest rates and dividend yield and accrued dividends for vesting restricted stock awards. For PSUs, adjustments at each measurement date have been made based on the expected level of achievement with respect to the Company's TSR benchmarked against the S&P 600 Capital Goods Industry Group.

### Narrative to Pay Versus Performance Table

For the year ending December 31, 2022, the most important financial performance measures used to link compensation actually paid to our NEOs to Company performance were net sales, operating profit and our total shareholder return ("TSR"). Our NEO's target total compensation is tied to performance goals aligned with our stockholders' interest. The majority of target compensation was weighted toward long-term equity performance and time-based awards and the financial performance metric was TSR. The short-term incentive program's funding metrics are net sales and operating profit.

The graphs below depict the relationship between compensation actually paid and the Company's cumulative total shareholder return, net income, net sales and operating profit:

## Non-Employee Director Compensation

As outlined in its charter, the Compensation Committee has the authority to review and make recommendations to the Board with respect to the components and amount of Board compensation in relation to other similarly situated companies. Periodically, the Committee directs its compensation consultant to provide an independent assessment of the Company's Board compensation program. This review was last conducted in 2022. The Committee targets total Board compensation levels at a competitive range of peer group total Board compensation. The Committee considers total aggregate Board compensation and other factors when making recommendations to the Board for approval. During 2022, our fees for non-employee directors were as follows, with all amounts paid on a quarterly basis:

## OVERVIEW OF PROPOSALS

This Proxy Statement contains three proposals requiring stockholder action:

- **Proposal No. 1** requests the election of three directors to the Board of Directors.
- **Proposal No. 2** requests that stockholders vote on a non-binding advisory resolution approving the Company's executive compensation.
- **Proposal No. 3** requests that stockholders vote to ratify the selection of Grant Thornton LLP as our independent registered public accounting firm for the year ending December 31, 2023.

### PROPOSAL NO. 1 Election of Directors

The names of Caron A. Lawhorn, Stephen O. LeClair and David R. Stewart, current members of the Class II Directors standing for re-election, whose terms expire at the 2023 Annual Meeting, have been placed in nomination for re-election to the Board for terms ending in 2026, and the persons named in the proxy will vote for their election. Each of Ms. Lawhorn, Mr. LeClair and Mr. Stewart have consented to being named in this Proxy Statement and to serve if elected.

The biographical information for all director nominees is contained in the "Directors" section above.

If any nominee becomes unavailable for any reason, the shares represented by the proxies will be voted for such other person, if any, as may be designated by the Board of Directors. However, management has no reason to believe that any nominee will be unavailable.

### Vote Required

A nominee for director will be elected if a majority of the stockholders voting on the nominee's election vote in favor such nominee's election.

### Recommendation of the Board:

**The Board unanimously recommends that stockholders vote FOR the election of directors Lawhorn, LeClair and Stewart.**

**PROPOSAL NO. 2**  
**Advisory Vote on Executive Compensation**

Our Board is asking our stockholders to vote, on an advisory basis, to approve the compensation of our NEOs, as disclosed in this Proxy Statement in accordance with SEC rules and Section 14A of the Exchange Act. We recognize the interest our stockholders have in the compensation of our executives and this proposal gives us the opportunity to obtain the views of stockholders on the effectiveness of our executive compensation program. This vote is not intended to address any specific item of compensation, but rather concerns the overall compensation of our NEOs, and the policies and practices described in this Proxy Statement. Because this vote is advisory, it is therefore not binding on the Company. However, the Board and the Compensation Committee value the opinions of our stockholders, and will consider our stockholders' views, including what, if any, actions may be appropriate to address any concerns identified through the advisory vote.

At the Company's 2011, 2014, 2017, 2020, 2021 and 2022 annual meetings of stockholders, approximately 99.26%, 89.92%, 96.30%, 95.85%, 96.18% and 95.01%, respectively, of the votes cast, respectively, supported the Company's say-on-pay proposal. As noted above, our Board has decided to conduct say-on-pay votes every year following our 2020 Annual Meeting so that our stockholders may express their views on our executive compensation program on an annual basis.

In accordance with the requirements of Section 14A of the Exchange Act and the related rules of the SEC, the Board recommends that the stockholders approve the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2023 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosures."

**Vote Required**

Approval of Proposal No. 2 requires the affirmative vote of the holders of a majority of the common shares present, in person or by proxy, and entitled to vote on the proposal. An abstention will have the effect of a vote against this proposal. A broker non-vote will have no effect on the outcome of the vote on this proposal.

**Recommendation of the Board:**

**The Board recommends that stockholders vote FOR Proposal No. 2.**

**PROPOSAL NO. 3**  
**Ratification of Appointment of Our Independent Registered Public Accounting Firm**

The Audit Committee has selected the firm of Grant Thornton LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2023. The Board is submitting the selection of Grant Thornton LLP for ratification at the Annual Meeting. The submission of this matter for approval by stockholders is not legally required, but the Board and the Audit Committee believe the submission provides Stockholders an opportunity to communicate with the Board and Audit Committee concerning an important component of corporate governance. If the stockholders do not ratify the selection of Grant Thornton LLP, the Audit Committee may reconsider the selection of that firm as the Company's auditors.

Representatives of Grant Thornton LLP will be present at the Annual Meeting, will have the opportunity to make a statement and will be available to respond to appropriate questions posed by stockholders.

**Vote Required**

Approval of Proposal No. 3 requires the affirmative vote of the holders of a majority of the common shares present, in person or by proxy, and entitled to vote on the proposal. An abstention will have the effect of a vote against this proposal. Brokers have discretionary authority and may vote on the proposal without having instructions from the beneficial owners or persons entitled to vote thereon.

**Recommendation of the Board:**

**The Audit Committee and Board unanimously recommend a vote FOR the ratification of Grant Thornton LLP as the Company's independent registered public accounting firm for the year ending December 31, 2023.**

**STOCKHOLDER PROPOSALS FOR 2024 ANNUAL MEETING**

Stockholder proposals intended to be presented at the 2024 Annual Meeting and to be included in our Proxy Statement must be received at our executive offices, 2425 South Yukon Avenue, Tulsa, Oklahoma 74107, no later than December 2, 2023.

However, a stockholder who otherwise intends to present business at the 2024 Annual Meeting of stockholders, including nominations of persons to our Board of Directors, must also comply with the requirements set forth in our Bylaws. The procedures in the Bylaws provide, among other things, that to bring business before an annual meeting or to nominate a person for our Board of Directors, a stockholder must give written notice that complies with the Bylaws to the Secretary of AAON not less than 90 days nor more than 120 days in advance of the anniversary date of the immediately preceding annual meeting. Thus, a notice of a stockholder proposal or nomination for the 2024 Annual Meeting of stockholders, submitted other than pursuant to Rule 14a-8 of the Exchange Act, as amended, will be untimely if given before January 17, 2024 or after February 16, 2024. As to any such proposals, the proxies named in management's proxy for that meeting will be entitled to exercise their discretionary authority on that proposal unless we receive notice of the matter to be proposed between January 17, 2024 and February 16, 2024. Even if proper notice is received on a timely basis, the proxies named in management's proxy for that meeting may nevertheless exercise their discretionary authority with respect to such matter by advising stockholders of such proposal and how they intend to exercise their discretion to vote on such matter to the extent permitted under Rule 14a-4(c)(2) of the Exchange Act.

**OTHER MATTERS**

The Board knows of no business to be brought before the 2023 Annual Meeting other than as set forth above. If others matters properly become before the stockholders at the Annual Meeting, it is the intention of the persons named on the proxy to vote the shares represented thereby on such matters in accordance with their judgment.
