

ECat Software Upgrade to Version 6.0.356.1

Release date: March 17, 2025

<https://www.aaon.com/ecat-download>

Note: If you need ECat 6 login credentials, they can be provided through registration@aaon.com. There is only one ECat 6 update file, it works for both initial installation and updating the software.

ECat 6 Updates

6% Surcharge - This version includes the capability of adding the surcharge to an order.

1. From the Edit Order Information screen, under the Pricing tab, a Surcharge percentage field is now available. Once you input a surcharge percentage and save the order information, ECat will re-price all the units on the order based on the surcharge percentage. You will see the surcharge on each unit worksheet.

ECat 5

6% Surcharge

1. To submit an M2 order, please send your AEF file to ECat Support first and we will add a 6% surcharge line item to your order. Once you receive the revised AEF back, you can submit the order to AAON Orders.

Our dedicated AAON ECat Team is here to support you. Contact ecatsupport@aaon.com with questions, comments, and bugs.
